MARTIN JAUMA

My preferred coaching style is the facilitator type and I have used this style to successfully coach various teams. I am an avid all-around rugby fan. I look at new challenges in the face and tackle them straight on. I am an eager learner, of curious nature and I strive to be my best.

Professional Experience:

Present

ASSISTANT COACH

2023 - Present

As a coach and Assistant Coach for the San Carlos Club's senior team competing in the U.R.B.A. championship, my task is to plan training and define the team's objectives, vision, and mission. I work with the coaches and professionals in each area.

DATA SCIENCE

2020 - Present

Project for the American Franchises Competition SLAR and Super Rugby Americas. In these projects, as the leader, my main task was and is to collect requirements from different actors in high-performance rugby: coaches, physical trainers, doctors, referees, and other specialists; design a data visualization solution tailored to their needs; and define and create the structure and format of the data used. We provide HIA, TMO, and CITING services for the SUPER RUGBY AMERICAS franchise championship.

EDUCADOR

2021 & Present

As a member of the South American Rugby High-Performance Staff, with Mr. Daniel Hourcade as the manager, the first regional academy of South America was created to develop the region in High Performance. My role is to train, identify, and develop future game analysts for future needs in high performance.

other EXPERIENCE

COACH MANAGER

2022

My task is to train the club's coaches in the development process for the youth categories U15 to U19, diagnosing, planning, and analyzing the matches and training sessions each week. To develop measurable development objectives in the short, medium, and long term.

Rugby Club Los Matreros

Coaching juveniles U15 to U19

HEAD COACH

2016 - 2019

In this role, I had the challenge of creating, together with the coaches and players of the club, a way of playing that would give the club a sense of belonging. I trained them in a work method, planning and organizing for the development of all the structures for the practice of competitive rugby. In 2016, we achieved a double promotion to the second category of Buenos Aires rugby. The following year, we made the club's best campaign in history, finishing in 18th place out of all the U.R.B.A. affiliated teams.

Verifiable achievements:

- Increase in the number of players from 3 teams to 5 teams
- Promotion to the second division in 2016
- The best campaign in history, finishing in 18th place
- Tour to New Zealand in 2018 (delegation of 40)

Club San Carlos

Head Coach

Performance Analyst.

Coach Manager for coaches Under-15 to Under-19.

Coach Manager

2017 - 2019

The purpose of this work was to train the club's coaches to understand what, why, and how to train. Pucará is one of the most important clubs in the country. A club that has trained many players for the different Argentine teams. In 2019, I also advised technically and provided video analysis support for the club's top 3 senior teams.

Club Pucara

Coach Manager for coaches Under-15 to Under-19.

Video Analyst, for 3 teams (TOP 12)

other EXPERIENCE

VIDEO ANALYST (Fútbol)

January 2018 - Jun 2018

My first experience as a football analyst was at Atlanta, a club that plays in the Primera B metropolitana (3rd national division). I was called to teach the analysts on the staff the Angles tool to do this function and provide support for live coding in training and matches.
